OUR JOURNEY

Letter from the Editors

Dear Class of 2004,

We are pleased to present you with the 2004 Dial. The book's theme, "Our Journey", was selected to emphasize how the images contained within illustrate all of the experiences you had here at FSC. These experiences, both in and out of the classroom, have shaped you into the person you are today. We hope this book will allow you to reflect on all of the challenges and successes you experienced throughout your journey here as an FSC student.

We hope that you have found success both in your personal and professional lives. As you look back on the time you spent at the College, remember that you are always considered a part of the FSC family and we look forward to seeing you again soon.

Sincerely,

Office of Student Involvement & Campus Events

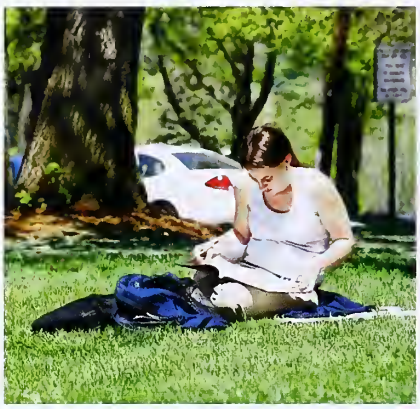
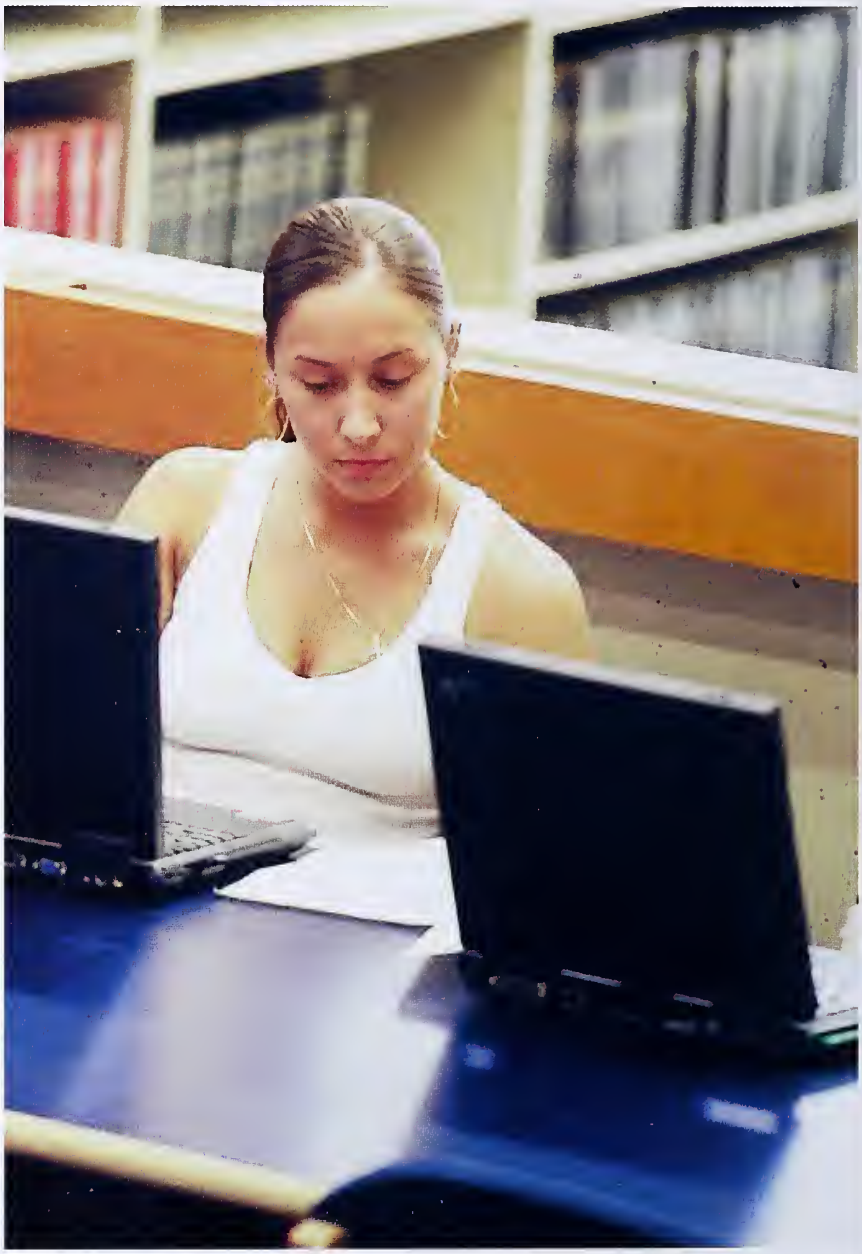
CAMPUS LIFE

Around Campus

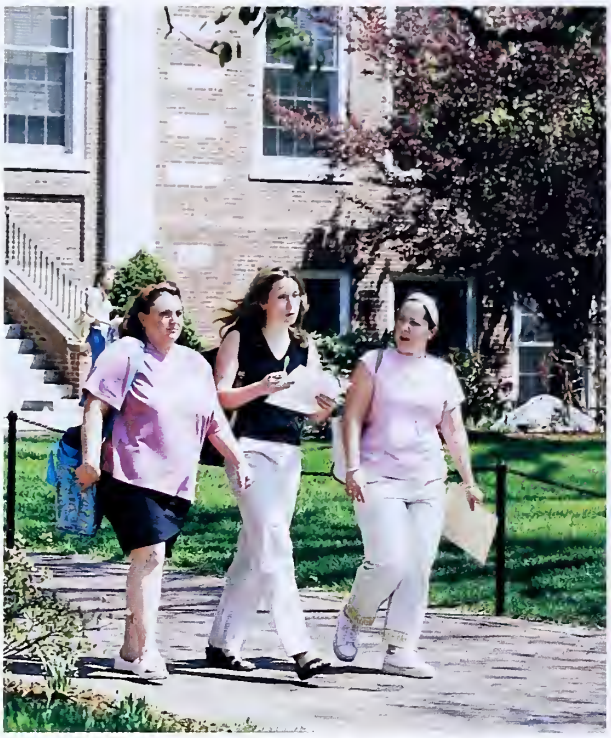
A Place We Called Home





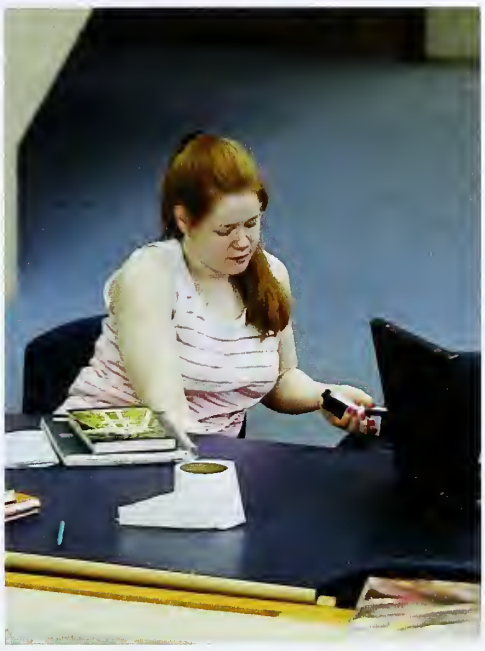
Be glad of life because it gives you the chance to love and to work and to play and to look up at the stars.
~Henry Van Dyke

Every day students walk to and from classes at Framingham State College, passing by familiar sites such as the Shuttle Bus, Lower Sandbox, and Dwight Circle.



SURVIVAL 101

Whittemore Library



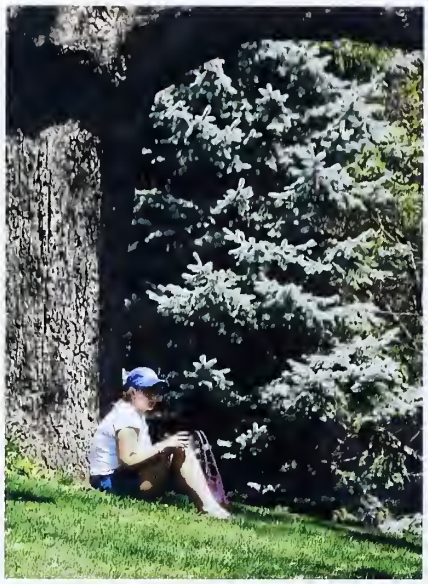
The library offers a variety of resources for coursework, and is a staple to academic life. Students often spread out and find their own quiet space to work in the library.

Dwight Hall

Dwight Hall is home to administrative offices as well as the Dwight Auditorium. Students often begin their FSC journey in Dwight by taking an Admission's tour. A few years later, students end their journey gathering in the Auditorium for Investiture.

Hemenway Hall

Framingham State College has one of the most traditional and beautiful campuses in New England. Clockwise from top: Crocker Grove; Doyle Technology Center; Crocker Hall; May Hall.



The student traffic between classes is always at a fast pace. The Journey to graduation is filled with many steps past May, Crocker, and Hemenway Hall!

What would a Journey be without a rest stop? All students have enjoyed a meal with friends in the dining facilities on campus.

Emerging Leaders

Emerging Leaders is designed to provide FSC's future student leaders with a chance to develop their leadership potential. Throughout the program, presenters share new insight and engage participants in skill-building activities. Upon completing the program, participants often seek out important roles on campus such as Resident Assistant, Student Trustee, and President of SGA.

Your schooling may be over, but remember that your education still continues.

"You are educated. Your certification is in your degree. You may think of it as the ticket to the good life. Let me ask you to think of an alternative. Think of it as your ticket to change the world." ~Tom Brokaw

You have brains in your head.
You have feet in your shoes.
You can steer yourself in any direction you choose.
You're on your own.

WELL WISHES

Matthew P. Mclaughlin

Congratulations!
You have brains in your head
You have feet in your shoes
You can steer yourself
Any direction you choose
You're on your own and you know what you know
And YOU are the guy who will decide where to go
You won't lag behind because you'll have the speed
You'll pass the whole gang and you'll soon take the lead
Wherever you fly, you'll be the best of the best
